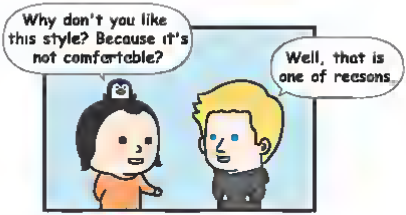
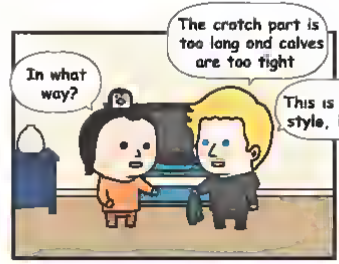
It's not as low as Justin Bieber but I guess it's a very popular style nowadays.

Unless I can see their bottom, ...



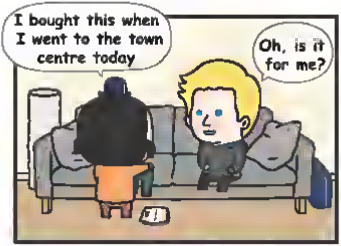
The reason that he doesn't like this type of trousers is...

... there are many trousers
that are designed for this style.



But I think
Mev doesn't like that style much.

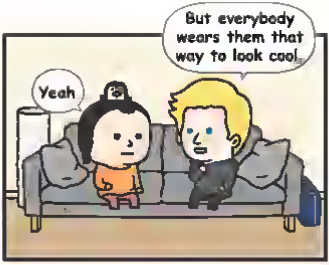
... I quite like the style that guys wear their trouser slightly low



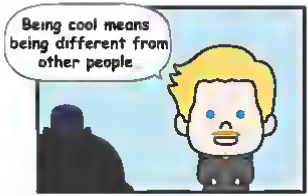
As it's popular these days,...

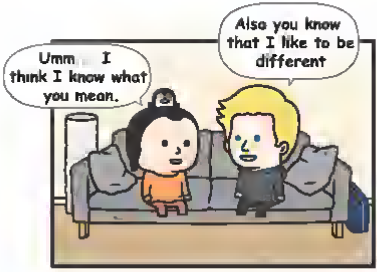
A Cool Guy

For the last few years,
I've seen many young guys wear
their trousers in a 'sagging' style.



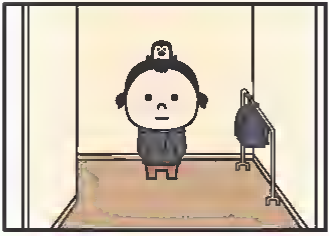
because he thinks being the same as other people is not cool.

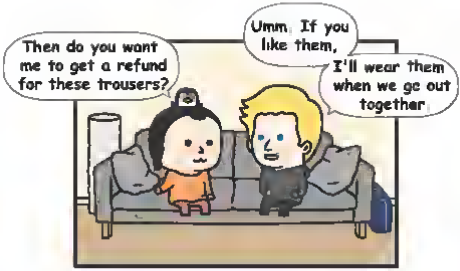




After I heard what Mev told me,
I could nod my head.

I've got my coat on. Let's go.





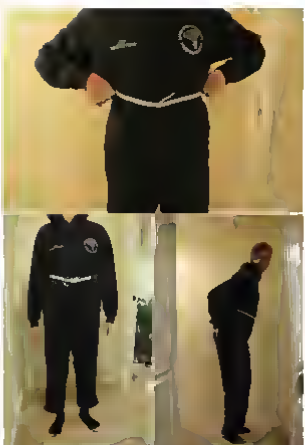
We finished our conversation like that

And we decided to go to shopping quickly.

Penguin
This is what I'm saying
Cool!

Pwfffff

This world is not ready for that yet



That's tooooooo cool, man.
